Last Updated Monday, 08 March 2010

A&K Energy Conservation Inc, was founded in 1967 as a Lighting Maintenance and Retrofit Company. We have enjoyed many years of servicing our customers through lighting service, planned group relamping, and through upgrades to new and more energy efficient lighting. We hold ourselves to the highest possible standards in the industry and are proud to produce a little introduction video to give you an idea of who we are and what we are about.
